

LABYRINTH

A Happy Life

An online military organization promised you a devout spouse and a happy life, if you come and join their secret military operations. So, you decided to go.

This is a pull factor used by organizations seeking to take advantage of those looking for love. Don't be pulled in the wrong direction! Go to the nearest wrong turn on the board.

Then advance 1 space forward. Return the card to the Choice or Challenge card pack at the bottom of the pile.
