

Accessing eDelegate

Please contact the Access Administrator/s in your Permanent Mission in New York, who will be able to give you access to all the parts of the e-deleGATE portal (<https://edelegate.un.int>) you need to use. The Ad Hoc Committee is located under **General Assembly** → **Subsidiary bodies** → **Ad Hoc Committee on Cybercrime**.

Delegations are requested to inform the Secretariat (cybercrimeahc@un.org) if oral corrections, revisions or amendments to the proposals are expected.

I. Preparation of proposals

All proposals must be submitted under agenda item 4 of the sixth session.

Delegations are requested to determine if a “base text” exists for the proposal. In the case of the Ad Hoc Committee, this will likely be the draft text of the convention (A/AC.291/22), but could also be a resolution previously adopted by a body. If a base text exists, the revised text is to be submitted using the “base text” with new changes inserted in “track changes” mode, to avoid delays in the processing of the proposal.

The example below provides an article of the draft text of the convention with the desired tracked changes.

Sample proposal

Country:* amendment to draft text of the convention [A/AC.291/22](#)

Draft text of the convention

In draft article X, replace “is being changed” with “will change” at the end of the second sentence.

Article X. Title of the article

This is a sample text of an article as found in the draft text of the convention, published as A/AC.291/22. In this example, a portion of the text ~~is being changed~~will change.

II. Co-sponsorship of proposals

Proposals are usually negotiated prior to submission to the Secretariat. During this process, the main sponsor(s) can open a proposal for co-sponsorship by other delegations using the e-deleGATE portal (<https://edelegate.un.int>). Only delegations of Member States may upload proposals on the portal and open proposals for co-sponsorship. When initiating co-sponsorship, a delegation can indicate which Member States and observer States can co-sponsor the proposal. Once the process is initiated, all registered users of eligible delegations will be informed.

All delegations that have co-sponsored the proposal by the time it is submitted to the Secretariat will be listed as co-sponsors on the L document. A draft proposal will remain open for co-sponsorship until the moment of adoption at a plenary meeting of the Ad Hoc Committee. In the Ad Hoc Committee, delegations will be invited once again to signal their intention to co-sponsor the proposal by pressing a button from their national seat when requested by the Secretary. These delegations will be marked as additional co-sponsors and listed when the addendum to the proposal is issued.

Paper signatures are not accepted since co-sponsorship ahead of a plenary meeting is done through the e-deleGATE platform.

Once the Ad Hoc Committee adopts a draft resolution or draft decision, Member States may no longer alter its sponsorship.

III. Editing of proposals

The Editing Section edits all United Nations documents, including draft resolutions and draft decisions, to ensure that the text is clear, accurate, consistent and grammatically correct, conforms to United Nations editorial standards and is translatable into the other five official languages.

Editors will not make changes that alter the meaning of a proposal. When a language issue touches on a substantive matter, the editor will consult with the submitting official. It is crucial for the editors to be informed when parts of a text of a proposal have been the subject of particularly intensive negotiations or are otherwise highly sensitive.

More information on the editing of proposals can be found in the United Nations Editorial Manual (<https://www.un.org/dgacm/en/content/editorial-manual>). Information on specific aspects of terminology can be found in the United Nations Terminology Database (<http://unterm.un.org>).

IV. Submission of proposals for issuance as L documents

Delegations are requested to submit proposals via the “e-Proposals” module on the e-deleGATE platform. Please contact the Ad Hoc Committee Secretariat (cybercrimeahc@un.org) with any questions. Upon submission, drafts will be processed and issued in the six official languages of the United Nations and made available on the Official Document System (<http://documents.un.org>).
