## **Commission on Narcotic Drugs**

**Reconvened fifty-fifth session**

Vienna, 6-7 December 2012

Agenda item 8

**Provisional agenda for the fifty-sixth session of the Commission**

### **Organization of the round-table discussions at the fifty-sixth session**

#### **Note by the Secretariat**

#### **I. Establishment of the round-table discussions**

1. The provisional agenda for the fifty-sixth session of the Commission on Narcotic Drugs was adopted by the Economic and Social Council in its decision 2012/241, and included item 5 entitled “Round-table discussions on progress made in the implementation by Member States of the Political Declaration and Plan of Action on International Cooperation towards an Integrated and Balanced Strategy to Counter the World Drug Problem”.

2. During deliberations at the Commission’s fifty-fifth session, in March 2012, it was noted that it would be necessary in the intersessional period, to agree on the exact wording of the topics for discussion by each round table and to organize the conduct of the round-table discussions with a view to making them more action-oriented.

3. The Extended Bureau, on 4 December 2012, agreed to recommend to the Commission for endorsement the following consensus proposal:

(a) The three round tables would take place during the morning and afternoon of the second day of the fifty-sixth session of the Commission, in the time allotted to the plenary;

(b) Each round table would have a duration of two hours;

(c) The round tables would be open to all Member States, with a group of 10 core participants nominated, two by each regional group.

4. The proposed format and organization of the round-table discussions are presented in **annex I**. The proposed programme of work for the round-table discussions is contained in **annex II**.

## **II. Proposal of possible subthemes and organizational arrangements for the round-table discussions**

### **A. Agreed subthemes**

**“The importance of further strengthening the operational implementation of treaty-based provisions on international cooperation, including for countering money-laundering and preventing the illicit cross-border movement of cash and monetary instruments”**

### **B. Agreed organizational arrangements regarding chairing of the round-tables**

Due to the fact that the round-table discussions will take place on Tuesday, 12 March 2013 and that the Committee of the Whole is led by the First Vice-Chairperson, it is recommended that the round-table discussions are chaired by the Chairperson, Second and Third Vice-Chairpersons of the fifty-sixth session of the Commission.
