

# Conference of the Parties to the United Nations Convention against Transnational Organized Crime

Distr.: Limited  
1 October 2024

Original: English

---

## Twelfth session

Vienna, 14–18 October 2024

Item 1 (d) of the provisional agenda\*

**Organizational matters: participation**

**Czechia: draft decision**

## **Participation of observers in sessions of the Conference of the Parties to the United Nations Convention against Transnational Organized Crime and during the intersessional period**

The Conference of the Parties to the United Nations Convention against Transnational Organized Crime decides that decisions taken under the agenda sub-item entitled “Participation” on the participation of observers in a given session of the Conference will continue to apply during the intersessional period following that session of the Conference, including with regard to the constructive dialogues following the meetings of working groups of the Conference, without prejudice to the application of paragraph 53 (d) and (e) of the procedures and rules for the functioning of the Mechanism for the Review of the Implementation of the United Nations Convention against Transnational Organized Crime and the Protocols thereto<sup>1</sup> with regard to organizations not included in the aforementioned decisions.
