Tenth session

Atlanta, United States of America, 11–15 December 2023

Information for participants**

I. Date and venue

1. In its decision 9/2, entitled “Venue for the tenth session of the Conference of the States Parties to the United Nations Convention against Corruption”, the Conference of the States Parties to the Convention, welcoming the offer of the Government of the United States of America to act as host to the tenth session of the Conference, decided that the tenth session would be held in the United States in 2023.
2. Pursuant to that decision, the tenth session of the Conference will be held at the Georgia World Congress Center in Atlanta, United States, from 11 to 15 December 2023.
3. **In view of the crucial nature of the matters to be considered by the Conference at the session and the need to reach important decisions, government representation in person at the highest possible political level is strongly encouraged.**

II. National organizing committee

4. The host Government has identified a focal point for logistical arrangements, headed by the Bureau of International Narcotics and Law Enforcement Affairs of the United States Department of State.
5. The officials of the United States in charge of coordinating all organizational aspects of the tenth session of the Conference can be contacted as follows:

COSP Planning Team
Bureau of International Narcotics and Law Enforcement Affairs

* Second reissue for technical reasons (28 November 2023).

** For reasons of economy, the documentation for the present session will be printed in limited quantities. Delegates are therefore requested to bring their copies of this and other Conference documents to the session.

III. Opening ceremony, opening statements and seating arrangements

6. For the formal opening ceremony, each government delegation will be assigned four seats: two at the table and two in the row behind. Specifically identified seating will be available for other participants in the session of the Conference.

7. In line with past practice, the list of speakers for agenda item 1 (f) entitled “General discussion”, which is scheduled to be considered on Monday, 11 December, and Tuesday, 12 December 2023, will be opened on **13 November 2023 at 00.01 a.m. (CET)**. Requests received before 13 November 2023 will have to be resubmitted once the list is open.

8. The procedures for the establishment of the list of speakers for the general discussion will be as follows: (a) representatives of States will be included on the list of speakers on a first-come, first-served basis, on the understanding that representatives at the ministerial or higher levels will be given priority; (b) should a ministerial-level speaker be replaced by a speaker at the non-ministerial level, the speaker will be added to the list of speakers on the basis of the time that the notification regarding the change of speaker is submitted to the secretariat; and (c) should a speaker from one delegation wish to switch places on the list with a speaker at the same level from another delegation, those delegations should make their own arrangements and inform the secretariat in writing.

9. In addition to statements delivered by high-level representatives present at the Conference in person, delegations will be given the opportunity to submit pre-recorded video statements by high-level representatives, such as Heads of State or Government, ministers, vice-ministers, heads of delegation and other dignitaries. Such pre-recorded video statements will be shown in the Plenary Hall after being introduced either by the delegation’s representative who is physically present or the President of the Conference if the delegation is not physically represented at the session. The deadline for the submission of such pre-recorded video statements and the text of the statement has been set for **4 December 2023**. Links to files containing such pre-recorded statements should be sent by email to the secretariat (cosp10.statements@un.org) via a file-sharing platform with appropriate security protections (e.g. password and/or private link), such as Dropbox. Delegations are kindly requested **not** to attach video files to an email directly (please also see annexes III and IV for guidelines and technical requirements). Delegates are kindly requested to familiarize themselves with the guidance and requirements before recording their statements. **Beyond the pre-recorded statements, there will be no possibility to deliver statements in an online format.**

10. In line with rule 45 of the rules of procedure for the Conference and established practice, delegations will be requested to adhere to a speaking time of a maximum of 4 minutes (or 400 words), allotted to all speakers, including high-level representatives, with 7 minutes being allotted for the chairs of the regional groups.

11. Longer statements will be posted on the website of the Conference provided that a clean copy of the statement has been forwarded to the secretariat (and unless delegations inform the secretariat that they do not wish to have their statement posted online).

12. The preliminary list of speakers for the general discussion (item 1 (f)) will be circulated to delegations in a special message shortly before the tenth session of the Conference.

13. Participants are reminded that mobile telephones should be either switched off or switched to “silent” mode during all proceedings.

IV. Provisional agenda and proposed organization of work

14. The annotated provisional agenda and proposed organization of work of the session are contained in document CAC/COSP/2023/1, available in the six official languages of the United Nations on the website of the United Nations Office on Drugs and Crime (UNODC) (www.unodc.org/CoSP10).

20. In accordance with rule 51 of the rules of procedure for the Conference, States intending to submit draft resolutions for consideration by the Conference at its tenth session are requested to do so as soon as possible and not later than one day in advance of the session.

21. Draft resolutions should be submitted as early as possible in order to enable productive discussions prior to the session. In accordance with Conference decision 9/1, States parties are strongly encouraged to submit draft resolutions to the secretariat not later than one month prior to the session, namely by **13 November 2023 at 11.59 p.m. (CET)** at the latest.

The intended scope of the resolution, a proposed timetable for its implementation and information on the resources available to implement it should be indicated, together with other relevant information. The draft resolution should be accompanied by an official note verbale from the State party submitting the draft resolution.

VIII. Bilateral meetings

23. To reserve rooms for bilateral meetings between Member States during the session, please send a request by email to cosp10.reservations@un.org. Please note that requests will be considered on a first-come, first-served basis.

24. When submitting a room reservation request, Member States are reminded to include with which delegation they will be meeting, the date and time of the meeting and the number of officials in attendance.

IX. Credentials

25. Rule 18 of the rules of procedure, entitled “Submission of credentials”, provides that the credentials of representatives of each State party and the names of the persons constituting the State party’s delegation shall be submitted to the secretariat of the Conference if possible **not later than 24 hours in advance of the opening of the session**.

26. The rules of procedure also provide that the credentials shall be issued by the Head of State or Government, the Minister for Foreign Affairs or the Permanent Representative to the United Nations of the State party, in accordance with its domestic law or, in the case of a regional economic integration organization, by the competent authority of that organization.

27. Advance scanned copies of credentials (see annex I for a sample format) should be sent by email to the secretariat of the Conference (uncac@un.org).

28. Prior to the session, delegations will be able to submit the original credentials either in person (office E1280 in the E-Building, Vienna International Centre) or by post to:

Secretariat of the Conference of the States Parties to the United Nations
Convention against Corruption
United Nations Office on Drugs and Crime
P.O. Box 500
1400 Vienna
Austria

29. Delegations submitting credentials to the secretariat in Vienna must ensure that the original credentials, whether submitted in person or by post, reach the secretariat by **Friday, 1 December 2023**, at the very latest.

30. Starting at 10 a.m. on Saturday, 9 December 2023, it will also be possible to submit original credentials to the office of the secretariat of the Conference, located at the Georgia World Congress Center (GWCC).

31. In this regard, States parties are reminded that, in accordance with rule 19 of the rules of procedure for the Conference, the Bureau of any session shall examine the credentials and submit its report to the Conference.

32. **The requirement to submit the original credentials applies to delegations participating both in person and online.**

X. Registration and list of participants

33. Registration for the Conference will be handled through the United Nations registration system Indico, which works on the basis of self-registration. Participants first need to create an account in Indico (<https://indico.un.org/login/>) and then, as a second step, register for the Conference.

34. Delegates are requested to complete the registration process as early as possible before the Conference. The registration for the session is accessible through the following link: www.unodc.org/unodc/corruption/registration/cosp10/.

Governments are hereby informed that an official note verbale must be uploaded in the Indico system, together with the mandatory details for each delegate (name, job, title, individual email address and whether participation will be in person or online) as well as a photograph in the case of in-person registration. Registration requests will be approved by the secretariat only after being cross-checked against the official note verbale uploaded in Indico. The Government is kindly requested to share the note verbale with the nominated delegates to enable them to complete the registration process as soon as possible in order for the secretariat to finalize all the necessary technical preparations for the meeting. Photographers or videographers accompanying a delegation and listed in the note verbale must be accredited as media in the Indico system.

35. Detailed information on registration will be made available on the web page of the session (www.unodc.org/CoSP10).

In-person participation

36. Admission to the Conference site will require the presentation of an identification badge for the Conference at all times.

37. Please note that only if a registration request has been approved can conference passes be pre-printed and made ready to be picked up at the registration area. Please also note that:

(a) Conference participants are requested to collect their conference passes in person;

(b) A representative of a permanent mission may collect the conference passes for all members of their delegation. In such cases, however, the designated collector will need to:

(i) Be in possession of an appropriate authorization signed by the Permanent Representative or the Chargé d'affaires;

(ii) Be responsible for the delivery of the conference passes to all members of that delegation.

38. Representatives who do not complete the pre-registration procedure, as detailed above by **1 December at 11.59 p.m. (CET)**, must complete their registration in the Indico system upon arrival at the Georgia World Congress Center, uploading all required documents in order to be issued with a conference pass.

39. As part of the high-level security arrangements, all participants are required to present their invitations or official communications identifying them as delegates, together with their passports or other official photograph-bearing identity documents, as they make their way to the registration area located at the main entrance of the Georgia World Congress Center in order to register and obtain their conference passes for the session. Passes must be worn visibly at all times in the conference centre

during the session. All persons and their bags and briefcases will be screened at the entrance of the conference centre.

40. On-site registration and pick-up of pre-printed badges will begin on Friday, 8 December 2023. The registration desk will be open as follows:

- 8 to 10 December 2023: 10 a.m. to 7 p.m.
- 11 to 13 December 2023: 8 a.m. to 6.30 p.m.
- 14 and 15 December 2023: 9 a.m. to 2 p.m.

Online participation

41. Delegates not taking part in person can register for online participation. Information on procedures for in-person and online registration and links to the Indico system are available on the web page of the session (www.unodc.org/CoSP10).

Registration of Heads of State or Government and ministers

42. It is strongly recommended that Heads of State, Heads of Government and ministers who plan to participate in person be registered in Indico well in advance in order to expedite the preparation of badges and minimize inconveniences. Those badges will be ready for collection at the registration desk by an authorized person at the registration area located at the main entrance of the Georgia World Congress Center. Permanent missions may collect the Conference VIP badges (see paras. 37 for details). In such cases, however, the person designated to collect the badge will need to be in possession of an appropriate authorization signed by the Resident Representative or the Chargé d'affaires. Questions regarding the distribution of VIP badges should be sent by email to Elena Angelescu (elena.angelescu@un.org) of the United Nations Security and Safety Service.

43. All requests for vehicular access permits for government ministers (only) must be submitted in writing to Noel Heffernan (heffernann@un.org) of the United Nations Department of Security and Safety. Access regulations for the above-mentioned category will be provided together with vehicle authorization decals.

Registration of members of the press and the media

44. Media representatives are required to apply for accreditation in Indico (see paras. 33 and 34 above), preferably in advance of the session. Accreditation is also possible at the press registration counter, located at the Georgia World Congress Center. For further information, please see section XIII, below.

XI. Languages and documentation

45. The official languages of the Conference are the six official languages of the United Nations: Arabic, Chinese, English, French, Russian and Spanish. Statements made in an official language of the Conference during plenary meetings will be interpreted into the other five official languages. Official documents of the Conference will be made available in all six official languages.

46. Each seat in the conference halls of the conference centre for which simultaneous interpretation is available will be provided with a portable receiving set and headphones. Participants are requested not to remove that equipment from the meeting rooms so that it may be checked periodically and the batteries recharged as necessary.

47. The secretariat has prepared a number of documents to facilitate consideration of the items on the provisional agenda for the session. Those documents may be downloaded from the web page of the session (www.unodc.org/CoSP10).

48. In furtherance of the secretariat's efforts to reduce expenditure and support endeavours to limit environmental impact as a result of the session, documentation will be available at the conference venue in a limited quantity only. Delegates are encouraged to access these documents on the web page of the session, as well as from the VIC Online Services. **Delegates are therefore kindly requested to bring their own copies of the pre-session documents to the session, if required.**

49. The main documents distribution counter will be located near the Plenary Hall.

50. To determine exact requirements for **in-session documents**, each delegation is requested to inform the persons working at the documents distribution counter of its requirements, specifying the number of copies of each document required and the language or languages in which it wishes to receive the documents during the session. The number of copies requested should be sufficient to cover all requirements, as it will not be possible to request additional copies.

XII. Submission of papers

51. Copies of national statements and position papers prepared by participating States will be distributed during the session in the languages and quantities provided by Governments.

52. It is strongly recommended that delegations bring sufficient quantities of documents to the conference centre well before the opening of the session.

53. Specialized agencies, intergovernmental organizations and non-governmental organizations may also prepare background information on specific questions pertaining to the subjects under consideration.

54. **Copies of all national statements** and position papers, as well as other relevant documents, **should be sent by email as soon as possible to the secretariat (uncac@un.org).**

XIII. Information and the media

55. Media facilities, including a press centre and a press briefing room will be available at the Georgia World Congress Center.

56. Media representatives wishing to cover the event must apply for accreditation before or during the session by contacting the Accreditation Office of the United Nations Information Service in Vienna:

Anne Thomas/Christine Dierk
United Nations Information Service
Email: press.vienna@un.org

57. Media representatives are required to register in Indico (see sect. X). To obtain accreditation, media representatives must upload valid press credentials, including a letter of assignment on the official letterhead of a media organization signed by the publisher/assignment editor, editor-in-chief or bureau chief, specifying the name and functional title of the journalist. A photocopy of a valid press card or work pass is also required.

58. Media representatives covering the session should contact Anne Thomas or Christine Dierk (see para. 56) to provide exact details of the equipment that they wish to bring to the United States, as some equipment may require special permission from the national authorities.

59. Starting 10 a.m. on Friday, 8 December 2023, media representatives can receive accreditation by applying in person at the press registration counter, located at the Georgia World Congress Center. Press passes will be issued upon presentation of an official photograph-bearing identity document. Only those representatives of the media who have the special conference press passes will have access to meetings, special events and the press working area.

60. Further information for the media on the session is available on the UNIS web page (<https://unis.unvienna.org/unis/en/events/2023/cosp10.html>) and the web page of the session.

XIV. Visas, travel and hotel reservations

61. Generally, individuals who are not United States citizens or permanent residents must present a valid passport and non-immigrant visa for entry to the United States, or, for citizens or nationals of certain participating countries, a valid passport and approval for travel under the Visa Waiver Program are required. No Conference-specific visas are offered for participants, but diplomats, employees of international organizations and foreign governmental bodies, and those travelling for business purposes may apply for the visa category appropriate for their purpose of travel and may submit, with their application, a letter of invitation to the Conference or a note verbale containing advance information about the Conference (the “Save the date” note), issued by UNODC. All travellers who require visas will undergo the standard visa application procedure through overseas embassies and consulates of the United States. Given the surge in international travel and the ongoing backlog in visa processing following the global pandemic, Conference participants are strongly encouraged to start the visa application process as early as possible, regardless of what websites may show in terms of wait times. United States embassies and consulates have access to event dates and can process visas accordingly. Once an application has been submitted, an applicant can reach out to the relevant embassy or consulate with any questions regarding their appointment. Every visa-processing post has a website with instructions on how applicants with urgent travel can request an expedited appointment if the original appointment date is too late. Passports must be valid at least six months from the date of entry into the United States.

62. Related information on visa requirements may be obtained from <https://travel.state.gov/content/travel/en/us-visas.html>.

63. Commercial airlines enforce strict limits regarding the size and weight of baggage. Passengers should independently familiarize themselves with relevant limits on the weight of baggage and carry-on items prior to departure in order to avoid unnecessary expense or complications. In the interest of air safety, passengers are not permitted to transport dangerous items or substances either on their person or in checked baggage.

Accommodation

64. Participants are responsible for making their own hotel reservations for the Conference session. (See annex II for a list of officially recommended hotels and booking links.)

Airport reception

65. A diplomatic line and an information booth for the session of the Conference will be available at Hartsfield-Jackson Atlanta International Airport.

Transportation to and from hotels and airports

66. Participants are responsible for making their own transportation arrangements from Hartsfield-Jackson Atlanta International Airport to their hotel.
67. There are several transportation options to go from the airport to downtown Atlanta: taxis, rideshare companies and the subway/metro (called MARTA). Taxis from the airport to downtown Atlanta are approximately 30 dollars for one person, and 2 dollars for each additional person.
68. Participants can find more information on options for public transportation from the airport to downtown Atlanta hotels at www.itsmarta.com. Public transport from the airport to downtown Atlanta is approximately 5 dollars per person.
69. Because the hotels recommended are close to the Georgia World Congress Center, shuttles will not be provided.

XV. Facilities at the Georgia World Congress Center

70. The following facilities are available at the Georgia World Congress Center:
 - (a) Food vendors (no cash payment: only credit and debit cards and tap-to-pay are accepted);
 - (b) Wireless connectivity, available throughout the Center free of charge;
 - (c) Medical and first aid services;
 - (d) ATMs;
 - (e) Information counter for participants;
 - (f) Business centre;
 - (g) Meditation room for all faiths.

XVI. Useful information about the United States of America

Medical insurance

71. It is recommended that participants obtain, prior to departure, international medical insurance for the period of their participation in the session.

Geography and history

72. Atlanta is the capital of Georgia, and it is the state's largest city. Georgia was the last of the original Thirteen Colonies, established in the 1730s. Long before the first European settlers came to what is now Georgia, the Mississippian native Americans developed complex societies on these lands. The Creeks and Cherokees are among the tribes that left landmarks and cultural legacies.
73. In the mid-20th century, Atlanta became an important epicentre of the burgeoning civil rights movement that aimed to abolish legalized racial segregation, discrimination and disenfranchisement in the United States. The city was home to many prominent civil rights leaders such as Martin Luther King Jr. and John Lewis. This rich history of activism can still be seen throughout the city's neighbourhoods and civil rights landmarks.
74. Today, Atlanta is one of the most accessible cities in the world and home to the world's busiest airport. Hartsfield-Jackson Atlanta International Airport is two hours by plane from more than 80 per cent of the country's population and provides direct access to more than 150 cities of the United States and 75 international destinations on six continents.

Climate

75. The climate in Atlanta is humid subtropical, with temperatures ranging between 2°C and 25°C in the winter months. Snowfall is highly unlikely in December. Snow has not fallen in recent years in Atlanta. Despite having a mild climate, Atlanta experiences all four seasons. Atlanta's moderate climate allows visitors and locals to take advantage of the many outdoor activities the city has to offer.

76. The United States uses the Fahrenheit scale (°F), rather than the Celsius scale (°C), to measure temperature.

Language

77. The most commonly used language in the United States is English.

Currency and measurements

78. The national currency of the United States is the United States dollar. In the United States, all transactions are made in dollars.

79. Currency exchanges can be found at the airport, and at major hotels and banks throughout the city. Exchange rates may differ depending on the bank.

80. A variety of fees could be charged, including an out-of-network bank ATM usage fee as high as 5 dollars per use, an ATM operator access fee and an international transaction fee. Please check with your bank and credit card companies regarding fees before you travel. ATMs often offer the most competitive rates for currency conversion. Check the currency conversion rate before withdrawing money to make sure you are getting a fair exchange rate. Major credit cards and traveller's cheques in major currencies are generally accepted in large hotels, restaurants and large stores. Traveller's cheques and bank notes in all major currencies may be exchanged at all commercial banks and most hotels and foreign exchange counters. ATM services are also available.

81. Credit cards are widely accepted throughout the United States for everything from hotels and dining to entertainment and public transportation. Depending on your credit card, you might be charged currency conversion and international transaction fees. Check with your credit card company prior to travel to keep these fees to a minimum. Keep a photocopy of all your cards and international phone numbers for your credit card companies in a separate place from your credit cards in the event that the cards are lost or stolen or stop working.

82. You should notify your bank about international travel before you depart to ensure your credit cards work properly upon arrival. Some independent merchants do not accept credit cards; so, it is best to check with merchants in advance to determine whether you need to withdraw cash. Although the majority of restaurants and many stores in Atlanta accept bank cards, it is recommended that visitors also carry some cash.

83. For weights and measures, the United States uses the customary measurement system. The following are a few helpful conversions from metric to the United States measurement system:

- (a) 1 mile = 1.6 kilometres;
- (b) 1 yard (3 feet) = 0.91 metre;
- (c) 1 foot = 0.3 metre;
- (d) 1 inch = 25.4 millimetres;
- (e) 1 pound = 0.45 kilograms;
- (f) 1 ounce = 28.3 grams;
- (g) 1 gallon = 3.79 litres;

- (h) 32°Fahrenheit = 0°Celsius;
- (i) 75°Fahrenheit = 24°Celsius.

Gratuity

84. It is common practice to provide gratuity for certain services in the United States. A gratuity of 15–20 per cent on top of the total bill is appropriate for restaurants and taxi services.

Time

85. Atlanta is in the Eastern Standard Time zone. (Greenwich Mean Time (GMT) – 4 hours).

86. In the United States, time is read on a 12-hour clock with a.m. (before noon) and p.m. (after noon).

Taxes

87. Sales tax rates are not provided because they vary.

88. The amount of sales tax on goods and services varies from state to state. State sales tax ranges from nearly 3 to 7.5 per cent nationally. However, counties and cities can levy additional sales taxes. The sales tax is printed on the sales receipt.

89. The minimum combined 2023 sales tax rate for Atlanta, Georgia, is 8.9 per cent. This is the total of state, county, and city sales tax rates. The Georgia sales tax rate is currently 4 per cent. The county sales tax rate is 3 per cent, and the city of Atlanta sales tax rate is 1.5 per cent. There is also another Atlanta sales tax of 0.4 per cent.

90. When you are securing a service, you might also be charged a tax. Services such as hotel rooms and rental cars are typically taxed at higher rates as well. In Atlanta, there is an 8 per cent bed tax on lodging accommodations as well as a hotel fee of 5 dollars per night.

91. The United States Government does not refund sales tax to international visitors.

Electricity

92. Currents and electric outlets are standardized and operate on 110/120 volts in the United States, so international visitors may need a voltage converter to operate their appliances if they operate on 220/240 volts.

93. Power plug sockets of type A and B are the norm. It is recommended to bring adapter plugs. Many hotels and accommodations are also adding USB ports for charging devices, which is a convenient way to charge many of your devices without an adapter or converter.

Telephone services and useful telephone numbers

94. All telephone numbers begin with a three-digit area code followed by a seven-digit telephone number. Before travelling to the United States, check with your mobile phone carrier to see if your phone has international capability and whether it will operate on the Global System for Mobile Communications (GSM) standard used in the United States. Most accommodations, whether hotels, motels or bed-and-breakfasts, have telephones in guest rooms, but often charge a fee for use, regardless of whether the call is local, long distance or toll free.

95. All emergency calls are free of charge at payphones and hotel phones. Emergency calls include “911” calls to police and calls made to Telecommunications Relay Service (TRS) – a service that enables people with hearing or speech disabilities to communicate with standard telephone users.

Postal and Internet services

96. The United States Government operates the United States Postal Service (USPS). Shipments can also be arranged using the following three services:

- (a) DHL;
- (b) FedEx;
- (c) United Parcel Service (UPS).

97. Wi-Fi is readily available throughout the United States. Free Wi-Fi is available at many coffee shops, restaurants and public libraries.

98. Many lodging facilities offer Wi-Fi for laptops, tablets and smartphones. Luxury hotels often charge for the service, while less expensive hotels often offer it for free. Some hotels offer Wi-Fi access only in their lobbies or have computers available in the lobbies for guest use. It is recommended to check the hotel's offerings before making your reservation.

99. Wi-Fi is usually available on trains, buses and airplanes. On United States domestic flights, passengers are allowed to use their computers, tablets, reading devices and smartphones as long as they are set to airplane mode. Check your transportation provider's website in advance of travelling to see if Wi-Fi is provided and if there is an access fee.

Business hours

100. Business hours vary greatly throughout the city. It is always helpful to check operating hours by calling the particular business in advance. Here are some general business hours in Atlanta:

- (a) Banks: Monday–Thursday: 9 a.m.–5 p.m.; Friday: 9 a.m.–6 p.m.; Saturday: 9 a.m.–noon; Sunday: closed;
- (b) ATMs: open 24 hours;
- (c) Post offices; Monday–Friday: 8.30 a.m.–5 p.m.; Saturday: 9 a.m.–noon;
- (d) Shopping malls: Monday–Saturday: 10 a.m.–9 p.m.; Sunday: 11 a.m.–6 p.m.;
- (e) Supermarkets: daily: 8 a.m.–8 p.m.; some open 24 hours;

Annex III

Guidelines for the submission of pre-recorded video messages/statements

1. Delegations registered to the tenth session of the Conference of the States Parties to the United Nations Convention against Corruption may submit a pre-recorded video of a statement following the guidelines below.
2. Video statements following the below guidelines will be aired during the plenary session, and published on the website of the Conference unless clear instructions to the contrary are given by the submitting delegation.

Submission guidelines

3. Delegations wishing to submit a pre-recorded video of a statement are requested to:
 - Notify the secretariat of their intention when enrolling in the list of speakers by writing to the address cosp10.statements@un.org. They can use the sample email below.
 - Send the video file (.mov or .mp4) at the latest one week prior to the opening of the session, i.e. **Monday, 4 December 2023**.
 - Submit a faithful transcript of the statement. Videos submitted without text will not be interpreted.
4. Please note that for general statements at the Conference, the time limits are as follows:
 - Regional Group: 7 minutes
 - National statements: 4 minutes

Technical guidelines

5. To be aired during the session and enable simultaneous interpretation, video statements should respect the following specifications:

Language

6. In line with the official languages of the United Nations, all video statements have to be delivered in one of the official languages: Arabic, Chinese, English, French, Russian or Spanish. The videos will be published only in the original language (simultaneous interpretation is offered when the video is displayed during the session).
7. If submitting a pre-recorded statement in a **non-United Nations language**:
 - Provide a video file with the audio recording of the interpretation into one of the United Nations official languages as a voice-over. The voice of the original speaker must be completely muted.
 - Provide the corresponding written translation of the statement into one of the United Nations official languages.

Statements accompanied by subtitles only or just a written translation in a United Nations official language will not be interpreted.

Content

8. With respect to content of a video message:
 - Videos should display only the image of the person presenting the statement.
 - Videos should not contain PowerPoint presentations, video clips, pictures of events, superimposed text or any other visual or audio content.
 - Avoid including moving images alongside the speaker, do not include background music or sounds.

Setting

9. With respect to the setting:
 - Record in a quiet room, free of any noise (e.g. clicking, humming, paper ruffling).
 - Use a HD camera (720p or higher).
 - Place the camera at head-height and face it when recording.
 - Close any drapes/curtains to avoid backlighting.
 - Use artificial light to illuminate the speaker indirectly (with a single light source pointing up), or from three different angles, if multiple light sources are available.

Audio

10. With respect to audio (see also annex IV for more detailed recommendations):
 - Use a proper microphone. Please note that **microphones integrated into a computer or mobile device**, mobile phone earpieces, and Bluetooth headsets **do not provide requisite sound quality and must not be used.**
 - The microphone should be placed close to the speaker or attached to the speaker's clothing.
 - Speakers should be prompted to begin reading their message after a two-second video pre-roll.
 - Speak at a moderate pace, allowing for natural pauses at the end of phrases and ideas, avoid abrupt transitions.
 - Speak directly into the microphone, placing it between 30–50 centimetres away.
 - Avoid tapping, blowing or shouting into the microphone.
 - Surround and stereo audio must be appropriately balanced and free from phase differences. Audio quality must be steady and free from fluctuations.

Video

- Specifications:
 - o 16:9 aspect ratio.
 - o Media file format: mov or mp4. Web-type compressed video file formats cannot be used (wmv, flv, asf).
 - o Native size (16:9) and frame rate (e.g. 1920 x 1080 or 1280 x 720).
 - o Statements should be provided in a single media file with no editing required.

- Content:
 - o There should be no fade in or fade out at the beginning or end of the statement.
 - o Background should be plain and not distract from the speaker.
 - o Framing: medium close-up (waist-to-head).
 - o Speakers should address the camera.
 - o No captioning, subtitles, graphics or text should be used.

Annex IV

Detailed audio recommendations for pre-recorded video statements

I. Microphone specifications

It is recommend using microphones that satisfy the following requirements:

Type	Table mic	
	Lapel/lavalier	 
Connector	USB	Those are much more easily recognized by your computer
Pattern	Unidirectional/cardiod	In order not to pick up extraneous noise
Frequency range	At least 125–15,000 Hz	A minimum to ensure a natural sound

II. How to position and use your microphone

A. Table microphone

- (a) Keep the microphone **6 to 8 inches (15 to 20 cm) to your mouth.**
- (b) Speak into the **front side** of your microphone.
- (c) Keep any possible unavoidable noise sources (such as your **computer's fan**) **behind your microphone.**
- (d) If applicable, please also mind the following:
 - i. Use the mode or pattern knob to **select the cardioid (unidirectional) pattern.**
 - ii. The gain knob controls the amount of sound you are feeding into your computer. So, **the higher you turn the gain, the louder you and any background sound will sound.**

B. Lapel microphone

- (a) Position the microphone on the chest, about a handspan from the mouth (6–8 inches/15–20 cm).
- (b) Clip it to the edge of a suitable piece of clothing (shirt, blouse, jacket, tie ...) or on the neckline of a t-shirt or sweater.
- (c) Avoid a position where other clothing might rub against the microphone.

Annex V

Recommendations on how to participate in a meeting with remote simultaneous interpretation

Interpreters need optimal sound in order to do their job properly and safely. What is often perceived as passable sound for meeting participants is actually unacceptable for those working in the booths.

To enable proper interpretation of your statement in all six United Nations languages, please follow the four steps below. Additionally, it is strongly recommended that you participate in the sound checks conducted by conference staff prior to every session and every meeting.

1. Use an Ethernet cable to connect your computer to your router

Wi-Fi Internet connections are not stable enough for meetings using an interpretation platform.

If you are using a cable and your connection is still poor, please check the additional computer troubleshooting tips below.

2. Use a proper external microphone

Please make sure you use a unidirectional table or lapel microphone, as this is essential for the interpreters' hearing health and capacity to do their job properly.

See in annex IV the [specifications](#) to look for, a [list of suggested devices](#) and [advice on how to use your microphone](#).

Make sure you procure your microphone ahead of the meeting. Should you not have a lapel microphone or unidirectional table microphone before the start of the meeting, you may use a headset as a last resort.

Neither your computer's built-in microphone nor your mobile phone earbuds with microphone will deliver the sound quality required for interpreters to do their job. Avoid wireless devices, including Bluetooth, as they create interferences.

3. Make your statement in a quiet setting

Participate from a quiet room. Close the doors and windows, mute all notifications on your computer and devices around you. Smaller rooms are preferable in order to avoid echo.

4. Turn on your camera when taking the floor

Interpreters rely on the visual cues to do their job properly. Pay attention to your background and lighting.

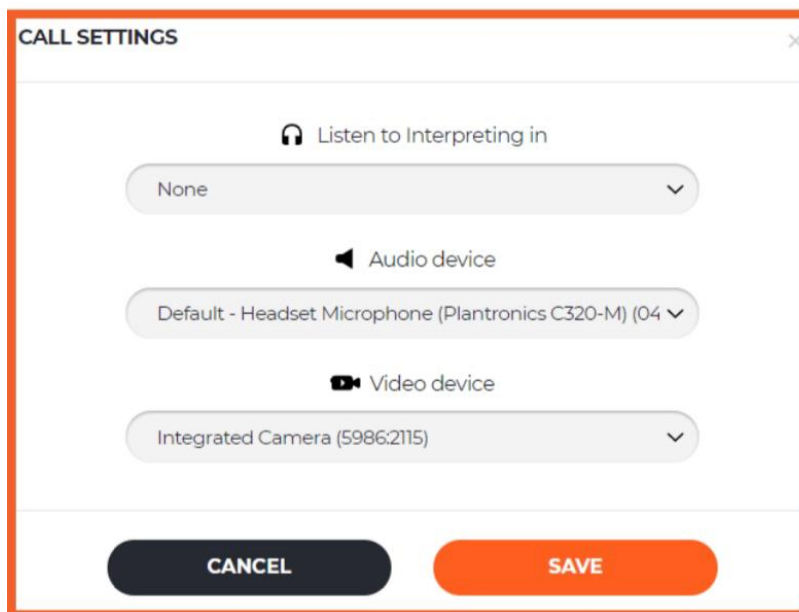

If you are experiencing connectivity issues, these are best solved by following steps 1 and 2 above, rather than by turning off your camera.

How to enable your USB microphone on Interprefy

Enabling your USB microphone is very easy.

1. Please **plug in** your USB microphone **before logging in**.
2. Make sure you have **allowed your browser access to your camera and audio**.
3. Log in to Interprefy and check that it is using the proper microphone.
 - Go to settings  on the Interprefy web page;
 - Make sure that your USB microphone is the one selected in the "Audio device" drop-down box. Please note that you cannot change the setting while streaming.

- If you logged in before plugging in your USB audio device, Interpretify might not recognize it right away. Just log out, plug in your device and log in again.

Computer troubleshooting tips

1. Are you using an Ethernet cable and a recommended table/lapel microphone and, still, the sound quality remains substandard? The additional steps below may help:
 - Clear all cookies in your browser and reboot your computer prior to the meeting;
 - Close all programs and applications that are not strictly necessary for the meeting;
 - Use a computer that matches the minimum technical requirements: the equivalent of an Intel i5+ or above CPU, with at least 8 GB memory (RAM).
2. If the sound quality remains substandard after taking the above measures, we recommend that you participate from a different location with a better, wired Internet connection and repeat the sound check at your earliest convenience.
